

DISCOVER the Butter Tart Trail™

Uniquely Canadian and dating back to the early settlers, butter tarts still reign supreme in the rural Township of Wellington North just minutes away from the hustle and bustle of Ontario's big cities!

Tour the award-winning Butter Tart Trail™ and stop at bakeries and Mennonite kitchens for over 14 different types of butter tarts and other fine baked goods. Shop for flea market treasures, artisans' wares and farm gate surprises.

If a natural retreat is your choice, take a short side trip to the Luther Marsh Wildlife Management Area for a picnic lunch and access to the 'new' Wellington North Bobolinks to Snipe Birding Trail. Download copies of both trail maps at [www.wellington-north.com](http://www.wellington-north.com).
