The Mount Forest Fireworks Festival Committee is moving forward planning this year's
9TH ANNUAL MOUNT FOREST FIREWORKS FESTIVAL

Anticipation continues to grow as Mount Forest and the Fireworks Festival gain popularity. Each year we strive to create a unique experience, adding enhancements and activities to compliment the already very popular main attractions, increasing the number of visitors while promoting our community.

Our SPECTACULAR fireworks displays began with a (former) local manufacturer of fireworks, David Whysall. David and his Team Canada competed and won in an International Fireworks Competition in Da Nang, Vietnam. As a result they also competed and won globally in 2008.

This recognition is not only an honour but is of great distinction. We did not do this on our own, it is through generous monetary and service donations from our local business community that makes this event possible.
